Amber Visits

University for the Creative Arts (UCA)

It was a pleasure to be invited to UCA's first ever agent day at their main campus in Farnham at the beginning of this month. We truly had a wonderful time and loved exploring your campus. As one of the largest specialist creative arts universities in Europe. University of creative arts offer a truly global perspective in creative education, with 17% of the students coming to study from overseas. The University is a diverse international community that welcomes students from 91 nations from all over the world. The university architecture is beautiful. If you are interested in finding out about the range of courses they provide or how to apply, please get in touch with Amber Education UK for guidance.

Amber Education is seeking host families for the 2018-19 school year

What is a host family?
A family who invites an international student into their homes within term times. This warm, personal learning experience offers families an opportunity to introduce their cultures to international students and learn about other cultures as well

-Bookings all year round
-Weekly pay
-14 and over international students

email: tiffany.li@amberedu.co.uk

Address:
2nd floor, Kingsland House, 122-124 Regent St, Soho, London W1B 5SA

The benefits of being a host family:

- Host families provide 3 meals a day and a bed for our international students
- International students are also able to participate in daily family activities. This will help the international student gain a deeper understanding of the English culture.
- Hosting an international student can be a stimulating and meaningful adventure.
- Amber Education Guardianship will be in regular support of the families and students.
- The goal is for both the host family and the student to have a truly satisfying experience.
- The choice is given to the Host families in providing accommodation for the student, whether it be short or long term.

Amber education packages

Amber Education offers specialised assistance to students who are in the UK and plan to continue their study in UK universities. Our services include evaluation of students' applications, consultation for visa applications, CV editing and much more.

According to UKCISA advice, any foreign student under the age of 18 studying in the UK require a guardian to assist them in all their needs for the whole period of study in the UK. Amber education (UK) provides specialised guardianship for students of middle school, pre-sessional courses and university. Our guardians will be the link between students' families and the schools. Amber Education offers four different guardianship plans, this can be accessed through our website. www.amberedu.co.uk
