## Coming Soon

### Amber UK Expo

Come and join our annual Amber Education UK Expo!

It is a fantastic occasion to meet universities and talk about subjects, career and other opportunities. The expo will take place in London on 27 October 2018.

Universities across the UK will join us at this amazing event! At the expo, applicants will have an opportunity to talk to the representatives from different universities and gain some first-hand knowledge. Moreover, the representatives will offer tips and hints for applications and personal statements. Furthermore, some universities may even conduct on-site interviews and recruitment. It is possible for you to get a university offer on that day.

Do not miss this golden opportunity and come join us to have a chat and to meet the London team. For more details, follow our social media and the next newsletter or get in touch [marketing@amberedu.co.uk](mailto:marketing@amberedu.co.uk)

### Amber Visits

#### CCSS

Thank you CCSS (Cambridge Centre for Sixth Form Studies) for such a welcoming invite to attend the 3-day Key Partners FAM trip in Cambridge this month.

Did you know? Amber Education was the only UK based Asian agent attending the conference along with other 14 agents mainly from Ukraine, Spain, Moldova and Bulgaria. Although UK experiences a heatwave over the last couple of months, we had torrential rain when we arrived in Cambridge, however this did not stop any of us going punting on the River Cam which is a must do activity when you visit Cambridge. (As you can see from the picture).

CCSS teaching and boarding campus are scattered around the heart of Cambridge and it is only around 20-minute walking between the two. The fam trip concluded with a prestigious dinner held at Gonville & Caius College, University of Cambridge. It was an absolute unique experience for the agents to have dinner at the Top University in the UK.

#### UWE Bristol

We met the wonderful, Lydia, the regional manager from University of the West of England. She visited Amber on 8th August 2018. She made a very great introduction about the school environment, popular and well-performed subjects, e.g. journalism, film making, education, and engineering.

They are still accepting prospective students in the clearing round. What is more reassuring is that students are able to join this fantastic university even 4 weeks after (about in the middle of October) the first semester has begun; it's never too late to apply for one of their rigorously-monitored programmes!

UWE Bristol just awarded Gold for teaching excellence in 2018. This year they also moved into a record of top-10 student satisfaction among UK's universities.

Amber Education is seeking host families for the 2018-2019 school year.

#### What is a host family?

A family who invites an international student into their homes within term times. This warm, personal learning experience offers families an opportunity to introduce their cultures to international students and learn about other cultures as well.

#### The benefits of being a host family:

- Host families provides 3 meals a day and a bed for our international students.
- International students are also able to participate in daily family activities. This will help the international student gain a deeper understanding of the English culture.
- Housing an international student can be a stimulating and meaningful adventure.
- Amber Education Guardianship will be in a regular support of families and students.
- The goal is for both the host family and the student to have a truly satisfying experience.
- The choice is given to the host families in providing accommodation for the student, whether it is short- or long-term.
