Amber Visits

Lancaster University

A big thank you to Mutty, the Regional Manager from Lancaster University, visited Amber on 6 Sep 2018. He was very passionate and enthusiastic during our meeting. He thoroughly discussed the university's environment, entry requirements for students from different Asian countries and their strong subjects, such as Management, which was ranked top 10 in the UK.

Did you know? Lancaster University has been named by the Times and Sunday Times University of the year 2018, with TEF gold standard teaching and internationally significant research. We were very happy to hear about this information from Mutty.

They accept prospective students in January and September 2019. If you would like to study in this world-class and rapidly developing university, please do not hesitate to contact us.

University of Roehampton London

Lovely to meet you Keyan, thank you for coming to meet us at Amber. Keyan, the International Officer from University of Roehampton, he paid us a visit on 17 Sep 2018. He gave us a detailed introduction of the courses in the university. Their dance course is the best in the country. We all thought it was a great opportunity for dance students as if you choose to study MA in the Department of Dance, you will have the opportunity to perform in prestigious theatres in London.

Did you know? To make it easier for international students, they offer an internal English test for students who are already in the UK. Furthermore, their master's courses accept graduates with a third-class honour. If a big city is your ideal environment to study, it would be a great idea to consider University of Roehampton London.

St George University Grenada

Molly, the Regional Manager from St George University Grenada, visited Amber on 5 Sep 2018. She kindly offered us detailed information in reference to the university and two of its medical degrees, namely Doctor of Medicine and Doctor of Veterinary Medicine.

If you are a bachelor's student with a science background and hope to become a doctor in either the US or UK, the university provides one of the best routes to your dream career because they affiliate with more than 50 hospitals in the US and with around 60 hospital in the UK for students to do the clinical rotations. Our students in the university have expressed great satisfaction and said the medical school offers them all the resources they need in order to become a successful doctor.

Become a Host Family

Open your heart
Open your home

Tel: 020077340274

Amber Education is seeking
host families for the 2018-2019
school year.

What is a host family?

A family who invites an international student into their homes within term times. This warm, personal learning experience offers families an opportunity to introduce their cultures to international students and learn about other cultures as well.

The benefits of being a host family:

- Host families provides 3 meals a day and a bed for our international students.
- International students are also able to participate in daily family activities. This will help the international student gain a deeper understanding of the English culture.
- Housing an international student can be a stimulating and meaningful adventure.
- Amber Education Guardianship will be in a regular support of families and students.
- The goal is for both the host family and the student to have a truly satisfying experience.
- The choice is given to the host families in providing accommodation for the student, whether it is short- or long-term.

About us:

Amber Education UK offer a bespoke education consultancy service to international students already studying in the UK who wish to continue their education at a UK university. We have 16 years' experience in the education sector and over 100 university partners in the UK. Amber education packages

Amber Education offers specialised assistance to students who are in the UK and plan to continue their study in UK universities. Our services include evaluation of students' applications, consultation for visa applications, CV editing and much more.

According to UKCISA advice, any foreign student under the age of 18 studying in the UK require a guardian to assist them in all their needs for the whole period of study in the UK. Amber education (UK) provides specialised guardianship for students of middle school, pre-sessional courses and university. Our guardians will be the link between students' families and the schools. Amber Education offers four different guardianship plans, this can be accessed through our website. www.amberedu.co.uk
